

NEIS Assistance

New Business Assistance with NEIS assists eligible unemployed people to start new, viable small businesses. If you are eligible you can access accredited small business training, which will help to build your skills in setting up a small business. During the training you will also develop a NEIS Business Plan, which will need to be approved by your NEIS provider before you start your business. If approved to operate your NEIS Business, you will receive NEIS Assistance which is NEIS Business Mentoring and support for the first year of operation of your business and if eligible, NEIS Allowance* for up to the first 39 weeks and NEIS Rental Assistance for up to the first 26 weeks of NEIS Assistance.

Participant eligibility

To participate in NEIS you must meet all of the following criteria:

- be at least 18 years of age at the time of commencing NEIS Assistance;
- be available to participate in NEIS Training and work your required hours (as noted in Section 8 of this form) in the proposed NEIS Business;
- not be an undischarged bankrupt;
- not have received NEIS Assistance in the past year;
- not prohibited by law from working in Australia; and
- not an overseas visitor on a working holiday visa or an overseas student studying in Australia.

Business eligibility

Your NEIS Business must:

- not currently be operating on a commercial basis;
- be independent, capable of withstanding public scrutiny, and lawful;
- assessed as Commercially Viable by a NEIS provider;
- be established, located and operated solely within Australia; and
- be structured so that you have and will maintain a controlling interest over your NEIS Business for the duration of your NEIS Participant Agreement.

NEIS Allowance

NEIS Allowance is paid to eligible NEIS Participants by the Department of Jobs and Small Business each fortnight for up to the first 39 weeks of NEIS Assistance. The rate is regularly reviewed and may change during your participation.

If you are eligible for NEIS Allowance, it will be income tested. If your gross external income (excluding your NEIS Business income, NEIS Allowance, NEIS Rental Assistance, approved allowances or pensions from the Department of Human Services (DHS) or Department of Social Services or Department of Veterans' Affairs (DVA), and your partner's income), exceeds twice the basic rate of NEIS Allowance in a given Financial Quarter, then your NEIS Allowance will be suspended, generally in the following Financial Quarter.
